

FCO Assessment Foundation

Be a Founding School of FCO ONE 2027

One Opportunity. Equal for ALL.

Telangana and Andhra Pradesh · 9–12 January 2027

Who we are

A non-profit that works for students

FCO Assessment Foundation helps students, parents and schools discover strengths and see where to grow.

Section 8 non-profit

A registered not-for-profit, founded in 2026 in Hyderabad.

12A and 80G approved

Donations to FCO are eligible for tax exemption.

NGO Darpan registered

Also registered for CSR-1, so companies can support schools through FCO.

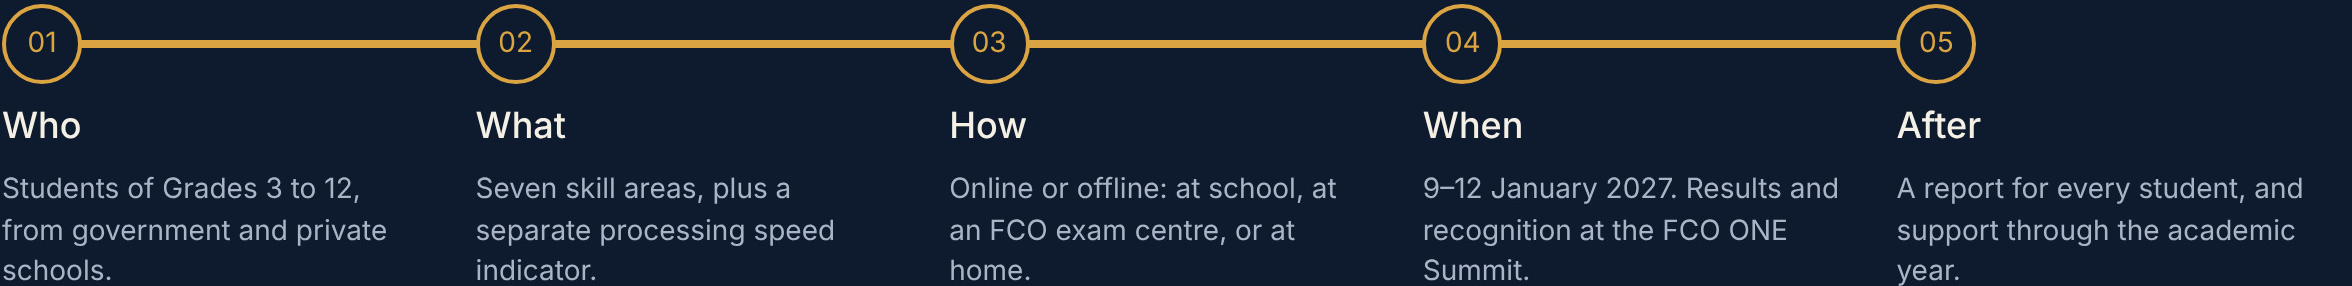

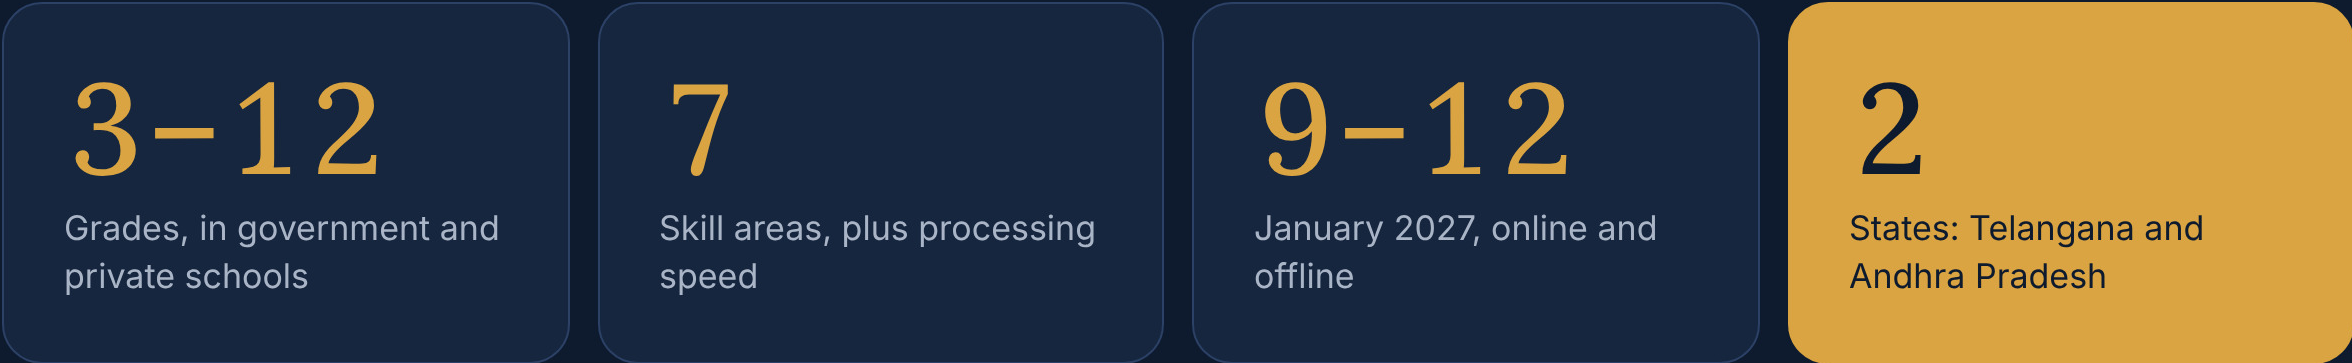

Grades 3 to 12

For students of government and private schools alike.

What is FCO ONE 2027?

See how every student thinks

What it measures

Seven skill areas, one clear picture

- All
- Thinking
- Language and life
- Learning habits

Logical Reasoning

How a student works through ideas and reaches conclusions.

Numerical Thinking

Using numbers confidently in daily situations.

Language & Comprehension

Reading, understanding and expressing ideas clearly.

Observation & Spatial Ability

Noticing details, pictures, patterns and space.

Real-World Application

Using classroom learning in real situations.

Memory & Attention

Focus, recall and staying with a task.

Learning Behaviour

How a student approaches learning.

Processing Speed

Shown separately in the report, as an extra indicator.

Where

Two states, one assessment

Every student takes the same assessment on the same dates and gets the same kind of report.

Summit · 24 January 2027

Telangana

- ✓ Warangal and Hanamkonda
- ✓ Jangaon and Alair
- ✓ Yadadri Bhuvanagiri
- ✓ Hyderabad and surrounding areas

Summit · date to be announced

Andhra Pradesh

- ✓ Founding School onboarding is open
- ✓ Same assessment on the same dates
- ✓ Online and offline participation
- ✓ Same reports and recognition

Why it helps your school

Something useful for everyone

One assessment, four groups of people who benefit.

01 Students

See their own strengths and areas to grow across seven skill areas.

02 Parents

Get a report in plain language, and understand their child beyond marks.

03 Teachers

Get skill-wise insights that help plan classroom support.

04 School management

Gets confidential insights: grade-wise strengths and class-level gaps.

What is a Founding School?

The first schools that shape FCO ONE

Founding Schools are the first partner schools that help shape and validate FCO ONE 2027.

From FCO

We bring

- ✓ The assessment, online and offline
- ✓ Sample papers and question papers
- ✓ Reports for students and the school
- ✓ Summit, awards and year-long support

From your school

You bring

- ✓ Student list for Grades 3–12
- ✓ One teacher as School Coordinator
- ✓ Venue or computer lab, as per mode
- ✓ Basic coordination on assessment days

Founding School benefits

Eight benefits for your school

Zero cost to the school

The school pays nothing to FCO.
Only the student fee applies.

Lower student fee

₹149 per student instead of ₹249.
Parents save ₹100 per child.

Individual student reports

Every student gets a personal
report across seven skill areas.

Confidential school insights

Grade-wise and class-wise
insights, shared only with your
school.

Founding School certificate

A certificate that names your
school a Founding School of FCO
ONE 2027.

Website recognition

Your school's name listed on the
FCO Foundation website.

Summit recognition

A special invitation and recognition
at the FCO ONE Summit 2027.

Teacher recognition and material

A certificate for the School
Coordinator, plus sample papers,
report formats and planning inputs.

Government school student Per student.	₹49
Cost to the school The school pays nothing to FCO.	₹0

Students taking part	300
	
Parents of your school save	₹30,000
At Founding School fee	₹44,700
At general fee	₹74,700

Third sibling from the same family: free.

Not a one-day exam

Support through the academic year

Recognition and scholarships

Effort is seen and rewarded

The FCO ONE Summit brings students, parents and schools together.

1 FCO ONE Summit
Results, awards and recognition. Telangana: 24 January 2027. Andhra Pradesh: date to be announced.

2 Merit scholarship
For the highest performers in each grade band.

3 Need-based support
Fee support for students from low-income families.

4 Girl child and rural fund
Support that helps girls and rural learners stay in school.

5 School and teacher recognition
A Founding School certificate, and a certificate for the School Coordinator.

 **Selections are transparent and reviewed by a committee.**

Our vision

“

An India where every learner has a future they choose.

Our mission

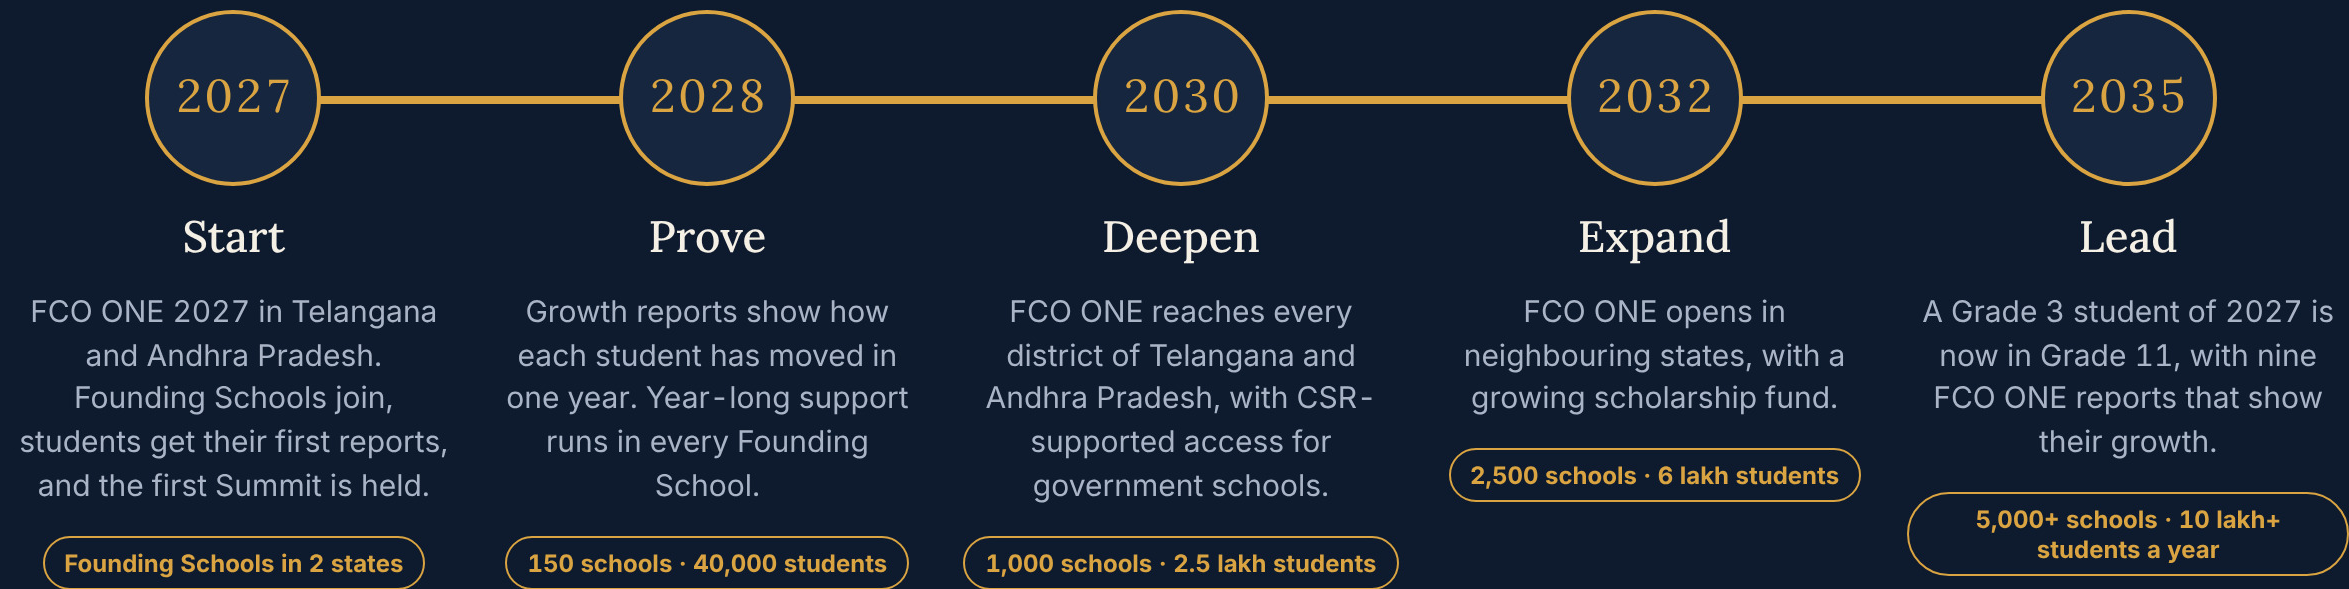

A technology-enabled ecosystem of assessments, programs and partnerships that unlock potential in every school we touch.

Our final target · FCO ONE 2035

10 lakh+ students in 5,000+ schools discover their strengths every year, and no child is left out because of fees or location.

Roadmap

From FCO ONE 2027 to FCO ONE 2035

These are planned targets, reviewed every year.

How to join

Five steps to become a Founding School

01

Meet

We present FCO ONE to your management and teachers.

02

Confirm

Your school confirms as a Founding School, at zero cost.

03

Nominate

One teacher becomes School Coordinator and shares the student list.

04

Prepare

Student orientation, sample papers and registration.

05

Assess

FCO ONE 2027 on 9–12 January, then the Summit.

Registrations are open

Join as a Founding School of FCO ONE 2027

Let's begin with your school

Thank you
